Dear Hiring Team at FRND,

I am writing to express my strong interest in the Senior Product Designer position at FRND. With my extensive skills in Figma, wireframing, and prototyping, I am excited about the opportunity to design intuitive interfaces and solve complex user experiences for your product.

As a designer who is deaf and mute, I communicate exceptionally well through visual and written means, including Figma comments, Slack, email, and Notion. Under the Rights of Persons with Disabilities (RPWD) Act, 2016, I request written-only accommodations for the interview process and daily collaboration (e.g., text-based communication instead of voice calls). I would welcome the opportunity to discuss accommodation specifics with your HR team.

Thank you for your time and consideration.

Sincerely,
Narayanan V
