DRAFT APPLICATION EMAIL

Subject: Application for Senior Product Designer - Narayanan V

Dear Hiring Team at FRND,

I am writing to express my strong interest in the Senior Product Designer position at FRND. As a dedicated designer with a proven track record, I am highly skilled in Figma, wireframing, prototyping, and building robust design systems. I am excited about the opportunity to bring my product thinking and UI design expertise to your team, collaborating closely with your product managers, engineers, and founders to solve complex problems.

I am deaf and mute, and I communicate exceptionally well via written channels such as Email, Slack, Figma comments, and Notion. Under the Rights of Persons with Disabilities (RPWD) Act, 2016, I would like to request a written-only accommodation for the recruitment process and daily workflows. I cannot attend voice calls, phone interviews, or verbal meetings, but I am fully capable of delivering high-quality design work asynchronously and participating actively in written collaboration.

I would welcome the opportunity to discuss accommodation specifics with your HR team. Thank you for your time and consideration.

Sincerely,
Narayanan V

Subject: Application for UI Designer - Narayanan V

Dear Recruiting Team at Career Creed HR Services,

I am writing to express my enthusiastic interest in the UI Designer role currently open with your organization. My

design expertise aligns perfectly with your requirement for a designer with strong visual design fundamentals and hands-on experience in building and scaling design systems. My core technical skills include Figma, wireframing, prototyping, and managing comprehensive, system-level design systems.

As an applicant who is deaf and mute, I request written-only communication accommodations under the Rights of Persons with Disabilities (RPWD) Act, 2016. I interact and collaborate with high efficiency using tools like Email, Slack, Figma comments, and Notion. While I am unable to participate in voice calls or verbal meetings, my written communication and visual design skills enable me to deliver outstanding results seamlessly.

I would welcome the opportunity to discuss accommodation specifics with your HR team. Thank you for considering my application.

Warm regards,
Narayanan V

Subject: UI Designer Application - Narayanan V

Dear Flam Hiring Team,

I am highly excited to apply for the UI Designer position at Flam. I am passionate about making interfaces clean, legible, and visually world-class, which matches your goals for the Flam app and website. With my advanced skills in Figma, wireframing, prototyping, and human-centric design, I am confident in my ability to collaborate effectively with your product managers, developers, and marketing teams to bring impactful ideas to life.

Please note that I am deaf and mute. In alignment with the Rights of Persons with Disabilities (RPWD) Act, 2016, I request that all recruitment assessments, interviews, and future workplace communications be conducted via written media. I communicate effectively using Email, Slack, Figma comments, and Notion, ensuring a smooth and highly productive collaboration without the need for voice calls or verbal meetings.

I would welcome the opportunity to discuss accommodation specifics with your HR team. I appreciate your support in making the hiring process accessible.

Best regards,
Narayanan V
