Subject: Application for Senior Product Designer - Narayanan V

Dear HR Team at FRND,

I am writing to express my strong interest in the Senior Product Designer position at FRND. With a solid foundation in Figma, wireframing, and prototyping, I have a passion for creating interfaces that are not only visually engaging but also highly intuitive and rooted in strong product thinking.

As a deaf and mute professional, I excel in asynchronous and written environments, collaborating seamlessly using platforms like Figma comments, Email, Notion, and Slack. In accordance with the Rights of Persons with Disabilities (RPWD) Act, 2016, I request reasonable accommodations during the recruitment process, specifically a transition to written-only communication channels instead of voice or phone interviews.

I would welcome the opportunity to discuss accommodation specifics with your HR team.

Sincerely,
Narayanan V
